

THORAX

The Journal of the British Thoracic Society

- | | | |
|-----------------------------|-----|--|
| Review | 649 | Role of asbestos and other fibres in the development of diffuse malignant mesothelioma
<i>A R Gibbs</i> |
| Editorial | 655 | Pericardial effusion after open heart surgery <i>A J Bryan, G D Angelini</i> |
| Original articles | 657 | Trends in lung cancer, chronic obstructive lung disease, and emphysema death rates for England and Wales 1941-85 and their relation to trends in cigarette smoking <i>P N Lee, J S Fry, B A Forey</i> |
| | 666 | Comparison of almitrine bismesylate and medroxyprogesterone acetate on oxygenation during wakefulness and sleep in patients with chronic obstructive lung disease <i>E Daskalopoulou, D Patakas, V Tsara, F Zoglopitis, E Maniki</i> |
| | 670 | Use of biological glue to control pulmonary air leaks <i>A F Matar, J G Hill, W Duncan, N Orfanakis, I Law</i> |
| | 675 | Effects of inflammation and fibrosis on pulmonary function in diffuse lung fibrosis <i>T Chinet, F Jaubert, D Dusser, C Danel, J Chrétien, G J Huchon</i> |
| | 679 | Appropriate and inappropriate neuroendocrine products in pulmonary tumourlets <i>J Gosney, A R T Green, W Taylor</i> |
| | 684 | Plasma cross linked fibrin degradation products in pulmonary embolism <i>B J Rowbotham, J Egerton-Vernon, A N Whitaker, M J Elms, I H Bunce</i> |
| | 688 | External detection of pulmonary accumulation of indium-113 labelled transferrin in the guinea pig <i>U Hultkvist-Bengtsson, L Mårtensson</i> |
| | 694 | Prostaglandin F _{2α} enhancement of capsaicin induced cough in man: modulation by beta ₂ adrenergic and anticholinergic drugs <i>G Nichol, A Nix, P J Barnes, K F Chung</i> |
| | 699 | Management of recurrent malignant pleural effusion in the United Kingdom: survey of clinical practice <i>L G McAlpine, G Hulks, N C Thomson</i> |
| Medical practice | 702 | Use of a management plan for treating asthma in an emergency department <i>I Town, T Kwong, P Holst, R Beasley</i> |
| Short reports | 707 | The hyperimmunoglobinaemia E and recurrent infections syndrome in an adult <i>J-P L' Huillier, P-H Thoreux, P Delaval, B Desrues, E Le Gall, J Kernec, J-F Delambre</i> |
| | 709 | Pulmonary disease following intravesical BCG treatment <i>S Kesten, L Title, B Mullen, R Grossman</i> |
| | 711 | Use of a fenestrated silicone drain to stent a malignant tracheobronchial stenosis <i>R L Insall, G N Morrill</i> |
| | 713 | Bronchoalveolar lavage findings in a patient with the organic dust toxic syndrome <i>E Raymenants, M Demedts, B Nemery</i> |
| | 715 | Effort rupture of the diaphragm <i>B El Nakadi, P Vanderhoeft</i> |
| Letter to the editor | 716 | Behavioural breathlessness <i>B Gandevia, J Howell</i> |
| Miscellaneous | 706 | Book notices |
