# THORAX

*The Journal of the British Thoracic Society*

- |                              |     |   |
|------------------------------|-----|---|
| <b>Editorials</b>            | 897 | The hepatopulmonary syndrome: new name, old complexities <i>R Rodriguez-Roisin, A G N Agusti, J Roca</i>  |
|                              | 903 | Peak flow measurement <i>P S Burge</i>  |
| <b>Original articles</b>     | 904 | The accuracy of portable peak flow meters <i>M R Miller, S A Dickinson, D J Hitchings</i>   |
|                              | 910 | Randomised trial of inhaled steroids in preterm infants with respiratory symptoms at follow up <i>B Yuksel, A Greenough</i>   |
|                              | 914 | Regional structure-function correlations in chronic obstructive lung disease measured with positron emission tomography <i>L H Brudin, C G Rhodes, S O Valind, P D Buckingham, T Jones, J M B Hughes</i>  |
|                              | 922 | Inspiratory muscle strength and endurance during hyperinflation and histamine induced bronchoconstriction <i>R B Gorman, D K McKenzie, S C Gandevia, B L Plassman</i>   |
|                              | 928 | Absence of seasonal variation in concentrations of the house dust mite allergen Der p1 in South Manchester homes <i>S Kalra, P Crank, J Hepworth, C A C Pickering, A A Woodcock</i>   |
|                              | 932 | Intravenous pamidronate in the treatment of osteoporosis associated with corticosteroid dependent lung disease: an open pilot study <i>S J Gallacher, J A K Fenner, K Anderson, F M Bryden, S W Banham, F C Logue, R A Cowan, I T Boyle</i>                                   |
|                              | 937 | Relation of serum elastin peptide concentration to age, FEV <sub>1</sub> , smoking habits, alcohol consumption, and protease inhibitor phenotype: an epidemiological study in working men <i>C Frette, S M Wei, F Neukirch, R Sesboué, J-P Martin, M-P Jacob, F Kauffmann</i> |
|                              | 43  | Relation of measures of asthma severity and response to treatment to outcome in acute severe asthma <i>C T Bolliger, P R Fourie, D Kotze, J R Joubert</i>   |
|                              | 148 | Failure of salmeterol to inhibit circulating white cell responses and bronchoconstriction induced by platelet activating factor <i>J Spring, S R Johnston, J Seale, P W Ind</i>   |
|                              | 152 | Acute effect of inhaled bradykinin on tracheobronchial clearance in normal humans <i>R Polosa, A Hasani, D Pavia, J E Agnew, C K Lai, S W Clarke, S T Holgate</i>   |
|                              | 157 | Respiratory disease in systemic lupus erythematosus: correlation with results of laboratory tests and histological appearance of muscle biopsy specimens <i>S A Evans, N D Hopkinson, W J M Kinnear, L Watson, R J Powell, I D A Johnston</i>                                 |
|                              | 961 | Measurement of maximal expiratory pressure: effect of holding the lips <i>J A Fiz, A Carreres, A Rosell, J M Montserrat, J Ruiz, J M Morera</i>   |
|                              | 964 | B lymphocyte accumulations in human pulmonary sarcoidosis <i>S B Fazel, S E M Howie, A S Krajewski, D Lamb</i>  |
|                              | 968 | Carinal transplantation <i>H Ueda, T Shirakusa</i>  |
| <b>Review series</b>         | 971 | The pulmonary physician and critical care—6: Oxygen transport: the relation between oxygen delivery and consumption <i>R M Leach, D F Treacher</i>  |
| <b>Occasional review</b>     | 979 | Bradykinin and asthma <i>P J Barnes</i>   |
| <b>Short reports</b>         | 984 | Tuberculosis contact tracing: are the British Thoracic Society guidelines still appropriate? <i>S F Hussain, R Watura, B Cashman, I A Campbell, M R Evans</i>   |
|                              | 986 | Unusual spinal tuberculosis after adequate chemotherapy for lymph node tuberculosis in an immunocompetent man <i>S P O'Hickey, A Pithie, C Skinner</i>  |
|                              | 988 | Idiopathic pulmonary haemosiderosis: a form of microscopic polyarteritis? <i>B Leaker, G Cambridge, R M du Bois, G H Neild</i>  |
|                              | 990 | Extrinsic allergic alveolitis caused by goose feathers in a duvet <i>Tj Haitjema, H van Velzen-Blad, J M M van den Bosch</i>  |
| <b>Letters to the editor</b> | 992 | Auranofin in steroid dependent asthma <i>O Sitbon, S Salmeron, P Duroux, R Caquet, G Nierop, K H Bel, J H Dijkman</i> · Fatal lung abscess due to <i>Lactobacillus casei</i> ss <i>rhamnosus</i> <i>F Manresa, J Dorca, E Prats</i>   |
| <b>Miscellaneous</b>         | 992 | Book notice   |
