

# THORAX

*The Journal of the British Thoracic Society*

- |                              |   |
|------------------------------|---|
| <b>Editorials</b>            | 1 Preoperative screening for metastases in lung cancer <i>M F Muers</i>   |
|                              | 3 Use of bronchoscopy in the diagnosis of infection in the immunocompromised host <i>R P Baughman</i>   |
|                              | 8 Sequelae of the adult respiratory distress syndrome <i>R Hert, R K Albert</i>   |
| <b>Original articles</b>     | 14 Analysis of published studies on the detection of extrathoracic metastases in patients presumed to have operable non-small cell lung cancer <i>T K Hillers, M D Sauve, G H Guyatt</i>  |
|                              | 20 Surgical resection for small cell carcinoma of the lung: a retrospective study <i>E F Smit, H J M Groen, W Timens, W J de Boer, P E Postmus</i>  |
|                              | 23 Efficacy of short term versus long term tube thoracostomy drainage before tetracycline pleurodesis in the treatment of malignant pleural effusions <i>A G Villanueva, A W Gray Jr, D M Shahian, W A Williamson, J F Beamis Jr</i>  |
|                              | 26 Peripheral mononuclear leucocyte $\beta$ adrenoceptors and non-specific bronchial responsiveness to methacholine in young and elderly normal subjects and asthmatic patients <i>M J Connolly, J J Crowley, C P Nielson, N B Charan, R E Vestal</i>   |
|                              | 33 Risk factors for readmission to hospital for asthma in childhood <i>E A Mitchell, J M Bland, J M D Thompson</i>  |
|                              | 37 Comparison of inhaled beclomethasone dipropionate 1000 $\mu$ g twice daily and oral prednisone 10 mg once daily in asthmatic patients <i>H G Bosman, R van Uffelen, J J Tamminga, L R Paanakker</i>  |
|                              | 41 Differences in utilisation of asthma drugs between two neighbouring Swedish provinces: relation to prevalence of obstructive airway disease <i>L Larsson, G Boëthius, M Uddenfeldt</i>   |
|                              | 50 Influence of barn drying of fodder on respiratory symptoms and function in dairy farmers of the Doubs region of France <i>J C Dalphin, J C Polio, D Pernet, M F Maheu, B Toson, A Dubiez, E Monnet, J J Laplante, A Depierre</i>   |
|                              | 54 Maximum relaxation rate of the diaphragm during weaning from mechanical ventilation <i>J C Goldstone, M Green, J Moxham</i>  |
|                              | 61 Lung and respiratory muscle function in limb girdle muscular dystrophy <i>J-P Stübgen, G J Ras, C M Schultz, G Crowther</i>  |
|                              | 66 Sleep hypoxia in myotonic dystrophy and its correlation with awake respiratory function <i>A J Finnimore, R V Jackson, A Morton, E Lynch</i>   |
|                              | 71 Re-evaluation of pneumonia requiring admission to an intensive care unit: a prospective study <i>N S Dahmash, M N H Chowdhury</i>  |
| <b>Review series</b>         | 77 Pulmonary rehabilitation in chronic respiratory insufficiency: 6 — Travel for technology-dependent patients with respiratory disease <i>F Smeets</i>   |
| <b>Technical note</b>        | 82 Correction of the single breath carbon monoxide transfer factor in exercise for variations in alveolar oxygen pressure <i>A H Kendrick, G Laszlo</i>   |
| <b>Short reports</b>         | 85 Tracheal schwannoma: management by endoscopic laser resection <i>V W Rusch, R A Schmidt</i>  |
|                              | 87 Insertion of a self-expandable endotracheal metal stent using topical anaesthesia and a fiberoptic bronchoscope: a comfortable way to offer palliation <i>D Coolen, H Slabbynck, D Galdermans, C Van Schaardenburg, L L Mortelmans</i>   |
|                              | 89 Pleural fluid characteristics in pulmonary brucellosis <i>E Kerem, O Diav, P Navon, D Branski</i>  |
|                              | 90 Response to ketamine in status asthmaticus resistant to maximal medical treatment <i>A Hemming, I MacKenzie, S Finfer</i>  |
|                              | 92 Pancoast syndrome caused by a high grade B cell lymphoma <i>P R Mills, L Y Han, R Dick, S W Clarke</i>   |
| <b>Letters to the editor</b> | 94 Solenoid valve <i>v</i> weighted plunger in incremental inspiratory threshold loading <i>P R Eastwood, D R Hillman, P A Bardsley, M D L Morgan</i> . Familial predisposition to snoring <i>D B Teculescu, E Mauffret-Stephan, C Gaultier</i> . Formoterol dry powder in asthma <i>P Bright, A Wallin</i> |
| <b>Miscellaneous</b>         | 95 Book notices   |
|                              | 96 Notice · Correction  |
